SLEIGHT OF HAND, HUMOR & JAW-DROPPING ILLUSIONS

Sharing a 2,000 year old Story using a 5,000 year old artform makes for a "new" kind of ministry.

And it's working!

Curt Anderson is the premiere Christian Illusionist, sharing a most effective message through his mastery of the performance art of Magic. His unique blend of humor and illusion coupled with his highly interactive style has put him in great demand nationwide.

Curt's magical genius has not only amazed audiences of all ages, but also of diverse nationalities. His talents have been shared with young and old in many lands including the US, Canada, Costa Rica and Venezuela.

Magical entertainers have looked to Curt as a leader in the art of "conjuring". Receiving one of the greatest honors fellow magicians can bestow on one another, Curt was invited to showcase his skills for the Society of American Magicians and for the International Brotherhood of Magicians.

In a recent, high-profile event, Curt vanished the personal vehicle of Dallas Cowboy George Teague before an audience of thousands. He was also featured as the personal performer to the fighters and their guests at the record-breaking, nationally televised Ali vs. Martin Pay-Per-View event.

Most folks are amazed at not only the show, but how easy and affordable it is to be added to the The Magic of Curt Anderson Tour. His flawless skills as an entertainer are quickly making him one of America's favorite magicians.
